## Service Booking

## OVERVIEW

When the client needs to wash his pet. Client select the services and addons then if he has any promocode then he is apply otherwise booked the service for Home, Mobile or Store

If a Groomer provides service in that zipcode, he will accept that request and provide the service , otherwise another Groomer will accept that request, and provide the services.

## PROBLEMS :

- It is difficult to take time out of your busy schedule to groom your pet.
- Suppose you have more than one pet in your house and you want to groom all the pets, so how do you move each pet?
- Hard to find appointment with perfect groomer.

## OUR SOLUTIONS :

### IN HOME :

Groomer goes to your home and provides the service inside your home. Bathtub and water supply has to be provided to groomer.

Groomer will have a grooming table and equipment necessary to provide the job. Groomer will clean working area after finishing pampering your pet.

It's important to provide a calm place for groomer to work in order to reduce stress to your pet.

### MOBILE :

Groomer will arrive to your location in a fully equipped vehicle to provide the service inside the vehicle.

Once groomer arrives groomer will take you pet inside the van and in no time your pet will be groomed and return your front door.

## STORES :

You will have the option to select a time frame in which you need your pet groomed. Follow the map and drop off your pet at the selected grooming store.

Run your errands or simply relax around and pick up your pet on your promised time.
